INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Cushman Indian School,

Mrs. Cynthia Spencer,

Tacoma, Washington.

Dear Madam:-

I am in receipt of you note requesting me to turn over to you the childrens uniforms and money.

I have to advise that it has been the ~~xxx~~ practice here not to let the uniforms leave the school. Any how, I am impressed with the idea that your children should remain in the school here and finish their enrollment. Your living in a hotel and getting into trouble, being put in jail, etc., is very bad for your children. We just had the trouble of sending for your children, while you were in jail, and after we had let you have them for only a few days. So, under the circumstances, it seems to me best that they remain in the Cushman School.

Trusting that you will see the matter in its proper light and realize that I desire to do what is best for the children, I am

Respectfully,
