My dear Mr. Hammond, after a visit to Ernest sick. The doctor asked me to say he had Tuberculosis Broncho Pneumonia His Grand father + mother was to see him yesterday Dr. Kinner says the boy wants to go home. and when he becomes a little stronger he thinks it would possibly be the best thing to let him go, as it might help him to have the change. He did not say so but, I do not believe he thinks he will hold out so very long. as he has had it before.

Very truly
