Dear Doctor:

Please remit to this office $6.75 of funds belonging to Harry Edwards at your earliest convenience, this amount being needed to settle the expense of his return to the Cushman School in September 1918.

The money sent Harry by his mother was all given to him when he returned home for the vacation, none being kept on deposit in this office for his return fare, hence the necessity of the remittance requested.

Thanking you in anticipation of the favor, I am,

I have the honor to inclose herewith a letter from Doctor Jacob Bried, Superintendent Fort Lapwai school, transmitting an application for the enrollment of Harry Edwards who has but [redacted] Indian Blood, but whose mother is an enrolled member of the Nez Perce Tribe. VACATION REQUEST FOR PUPIL.

FOR FILE

We, the undersigned, respectfully request that leave of absence be granted Harry Edwards from June 15, 1919 to September 5, 1919 to enable him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Cushman Indian school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

Mr. T. B. Wilson, Supt.,

Dear Sir:

I am enclosing herewith application for the enrollment of Harry Edwards in your institution for a period of five years. This boy is but seven years of age, and has never been in school, but speaks English well. He is practically a white boy, being but [redacted] Indian blood, but his mother is an enrolled Nez Perce Indian.

The parents live on a cattle ranch along the breaks of the Salmon River and are about eight miles from a public school. It is impossible for them, so the mother tells me, to educate the boy, and they are very anxious to place him in an Indian school.

If you will admit him you may return the application, and two copies will be prepared and forwarded to you. An early reply will be much appreciated.

Very respectfully,

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child.
