INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Cushman Indian School,
Tacoma, Wash. Oct. 11, 1918.

Mr. Charlie Frank,
Potlatch, Washington.

Dear Mr. Frank:

Your daughter Annie Frank was arrested at Ellensburg and returned to Cushman.

I have talked with her but do not think she appreciates your efforts and mine in her behalf. She acts as though she had done something deserving of credit for her bravery, etc.

I am willing to give her again a chance, but as you understand this is not a reform school and we have no place for a thoroughly bad boy, or girl.

If annie refuses her chance, she will be returned to you or sent to the reform school.

When you can, I should like you to visit Cushman.

Very sincerely yours,

EHH-S

Superintendent

Mr. William C. Miller,
Potlatch, Washington.

Dear Mr. Miller:

Please deliver the enclosed letter to Mr. Frank. His daughter came to school with Mrs. Slade and her children but she ran away last Saturday night with Edith Cawker.

Please advise Mr. Frank that his two children must be kept in school. If he is wise, he would return them at once without delay. Willie ran away with Levi Slade on Friday night last. The girl is inclined to be foolish and is being talked about in letters from her friends as the enclosed letter shows. If she remains on the reservation, she will be ruined.

Unless these children are returned promptly to Cushman, I shall take legal steps to have them placed in school, as I can not have such a girl running around loose on the reservation.

Very respectfully,

MHM-S

Superintendent
