Supt. O. C. Upchurch,

Dear Mr. Upchurch:

I have recently had a letter from Mrs. Jennie Mason of Inchelium, Wash. requesting transportation for her two sons Peter and Delvin Hall to return to the Cushman School to complete their enrollment. They were enrolled in Sept. 1916.

The mother not having made the usual deposit for the return fare of the boys, and our school funds being very limited, I am unable to place the transportation requested, although the boys certainly ought to be in school and I am anxious for the boys to return.

If they or their mother have any funds which could be placed to the disposal of the mother at this time with which to return the boys, I will thank you for your efforts in that direction. Thanking you for an early reply, I am,

Yours very sincerely,

Mrs. Jennie Mason,

Dear Friend:

In reply to your letter of August 26th regarding the return of your two sons Peter and Delvin Hall, would advise that there are no funds on deposit here for their fare back to Cushman. They will have to return at personal expense.

School started today and the boys should return as soon as they can get here so that they may not miss much school work for they can not afford to get behind in their class work else they will be at a disadvantage all the year.

Hope to see the boys soon, I am,

Yours very sincerely,
