Dear Madam:

Replying to your letter of the 14th instant requesting me to allow Marmasena Hanakek to stay with you and your family in Seattle during the summer, I have to advise that this meets with my approval, provided you will use your influence to get her to attend some good school next fall. She can leave here immediately after the close of school. She spoke to me about this some time ago and I told her I thought it would be all right.

Marmasena is an excellent girl and I would be glad to see her continue her training as long as possible in order that she might go back to her people and assist them to lead better and more useful lives.

I will talk the matter over with her again and let you know when to expect her.

Yours very truly,

Special Agent in Charge.

Ratings should be excellent (E), good (G), fair (F). If pupil's work is not worthy of a rating of fair, no grade should be recorded. Under "Remarks" mention anything that indicates interest, conduct, and proficiency of the pupil.

CUSHMAN INDIAN SCHOOL
RECEIVED
MAY 1 - 1920
Indian Commissioner

Mr. C. V. Peel, Agent in charge,
Cushman Indian School
Tacoma, Washington.

Dear Sir:—

In receipt of letter announcing the discontinuance of Cushman.

Am very sorry but know nothing of its reasons nor needs and am glad there is a choice of places that pupils may be transferred to.

Am leaving the choice of Mannasena Hanakek's transfer to her own choice. Have just now mailed her special delivery letter to that effect including permission for her to go North to the cannery work for the summer.

I do not know the location of the Tulalip, Washington school but will look it up. Do know the Chemawa, though as my early youth was spent not far from there and I well remember seeing the buildings in progress, and the happy faces of well cared for pupils later as I have passed the place.

Do everything that is best both as to advice and transfer for Mamaseua for she is deserving and capable of the best.

Have written her saying I hoped it would be possible for her to have her examination before leaving that nothing would stand in her way upon her return to school next fall, but in view of the hurry and the short time I realize it may be impossible.

Sincerely Yours

(Mrs. L.) Frances A. Derbyshire

If the telegram I sent Mr Hammond last year relative to Mamaseua's young north is available it will enlighten and help your decision and consent to her going; also my thoughts in the matter F.
