The law provides:

"That no part of this appropriation, or any other appropriation provided for herein except appropriations made pursuant to treaties, shall be used to educate children of less than one-fourth Indian blood whose parents are citizens of the United States and of the State wherein they live and where there are adequate free-school facilities provided and the facilities of the Indian schools are needed for pupils of more than one-fourth Indian blood."

EXTRACTS FROM SCHOOL RULES.

If the facilities of a school are not needed as provided in the above paragraph, children showing any Indian blood, whose parents live on an Indian reservation, and who if debarred from Government schools could not obtain an education, may be enrolled in the day and boarding schools of their reservation; these children, however, may not be transferred to nonreservation schools without special permission from the Commissioner of Indian Affairs.

Before enrolling a pupil superintendents must satisfy themselves whether he has left any other school without permission and whether he has been expelled for cause from any other school. A pupil who has been expelled for cause from any Indian school may be reenrolled in any Indian school only with permission of the Commissioner of Indian Affairs. Attention is invited to Circulars Nos. 1039 and 1044, which must be observed.

"The Secretary of the Interior may in his discretion withhold rations, clothing, and other annuities from Indian parents or guardians who refuse or neglect to send or keep their children of proper school age in some school during a reasonable portion of each year."
