Mr. Albert McCoy,
Miles, Washington.

Dear Sir:

I have been advised by Mr. Fred Freeman of this school who was recently on the Colville Reservation solititing pupils, that you have two children Leonard aged 9 and Grace aged 7, whom you desire to enroll in the Cushman School provided Grace is accepted; Mou are to pay their transportation to the school.

I enclose two applications which you will please fill out and return for the enrollment of your children, and I will then forward it to Supt. Upchurch for his endorsement.

As the school began two weeks ago, it is advisable to get the children in soon that they may be able to keep up with their classes during the year.

Upon arrival at Tacoma, take the "Portland Avenue" car on Pacific Avenue and get off at 32nd street. The school is 4 blocks East from that point.

If you are not intending to accompany the children to Cushman, wire me when they start at what time and on what train they arrive in Tacoma that I may meet them.

Hoping for an early reply, or the arrival of the children, I am,

Yours very truly,

Enrollment

Thru the Superintendent

Dear Mr. Mc.Coy:

Replying to your letter of August 9th 1918.

Your application for the enrolment of your two children has been received. Provided Superintendent Upchurch recommends the enrolment of your son, his application will be approved. The girl is only five years old, consequently it is impossible to receive her unless you are able to pay the tuition fee of two hundred dollars a year. Our facilities for the care of babies are very poor.

Very sincerely

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.
