FOR FILE

CUSHMAN INDIAN SCHOOL RECEIVED JUN 13 1918 TACOMA, WASHINGTON

Dear Sir - I take great pleasure to write you in regards to my children whom you have in your charge. I would be most gratified if you can let them come for the vacation. They were here last vacation and I have a better proposition for Edna this vacation to work for the same folks I am working for at present at $10.00 a week as a helper around the house. They are white folks and are very good & appreciative. They have 150 acres of alfalfa hay to cut 3 times this season which I have been irrigating ~~and~~ will start to cut about next monday. Also have 60 acres in barley and will constantly need help all summer. My children's names are Edna & Peter Napoleon respectively. Peter will also be given something to do to keep him in good sort. I have a little niece there also named Julia Napoleon. Mrs. Dan Secena of the Chehalis Reservation would like to take her in this vacation. They are also

very good folks. I would desire you to put them on the train at Tacoma in the morning about 7 A.M. to Napato. It would be convenient for us to meet them on Saturday, June 15 afternoon so that would give Edna time to enter upon her duties the following Monday. Please let me know when you could get them away. I am sending you a check for their fares. I will await your answer with much anxiety. Remaining Yours Truly,

Alex Napoleon

R.F.D. #1, Napato, Wash.

P.S. Since I have started to work here I have made good, $60.00 first month $65.00 second month, $80.00 for this 3rd month, and the children can do the same if they will earnestly do their work. Help is scarce in this locality this season owing to the war.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case· but in all cases where the parents are living they should first be consulted.
