The law provides:

"That hereafter no appropriation, except appropriations made pursuant to treaties, shall be used to educate children of less than one-fourth Indian blood whose parents are citizens of the United States and of the State wherein they live and where there are adequate free school facilities provided." (Act of May 25, 1918 (40 Stat. L., 564).)

### EXTRACT FROM SCHOOL RULES.

If the facilities of a school are not needed as provided in the above paragraph, children showing any Indian blood, whose parents live on an Indian reservation, and who if debarred from Government schools could not obtain an education, may be enrolled in the day and boarding schools of their reservation; these children, however, may not be transferred to nonreservation schools without special permission from the Commissioner of Indian Affairs.

Before enrolling a pupil superintendents must satisfy themselves whether he has left any other school without permission and whether he has been expelled for cause from any other school. A pupil who has been expelled for cause from any Indian school may be reenrolled in any Indian school only with permission of the Commissioner of Indian Affairs. Attention is invited to Circulars Nos. 1039 and 1044, which must be observed.

Indian children whose parents are amply able to pay for their education and who have public school facilities at or near their homes shall not hereafter be enrolled in Government Indian Schools supported by gratuity appropriations, except on payment of actual per capita cost and transportation.
