LAUNDERING.

RECORD CARD—PREVOCATIONAL DIVISION.

Each girl should devote 15 weeks to the work of this department during the three prevocational years. When she has accomplished the work as outlined in the course of study in a satisfactory manner, a suitable rating should be recorded. Ratings must be based on a practical application as well as a knowledge of the principles involved.

Ratings should be excellent (E), good (G), fair (F). If pupil's work is not worthy of a rating of fair, no grade should be recorded. Under "Remarks" mention anything that indicates interest, conduct, and proficiency of the pupil.

This card should be filed in folder for record of pupil (5-197). When the pupil is transferred to another school a copy of this card should be sent to the officer in charge of the school to which she is transferred.
